Description:

	<p>Career Opportunity Associate Veterinarian (Part-time)</p>	<p>March 20, 2019 Ref: 2019-37-NIE</p>
<p>Business Address: Assiniboine Park Conservancy 55 Pavilion Crescent Winnipeg, MB R3P 2N6</p>	<p>About Assiniboine Park Conservancy Creating the future vision for one of Winnipeg, Manitoba, Canada's most prized treasures, Assiniboine Park Conservancy (APC) located at 55 Pavilion Crescent is the not-for-profit organization that oversees Assiniboine Park's operations and ensures its ongoing redevelopment and financial viability. Our team is inspired to create and deliver extraordinary experiences for the people who visit and use the Park including building friendly, supportive, effective relationships with stakeholders, community and the general public.</p>	
<p>Permanent, Part-time Salaried (< 30 hours/week) Days, evenings, and weekends including holidays are required.</p>	<p>The Opportunity: We are seeking for a Part-time Associate Veterinarian who will report to the Director, Veterinary Services and Animal Welfare. This position offers part-time hours (less than 30 hours per week), with some evenings and weekends including holiday coverage as "on-call" and "after hours" support also required. As an Associate Veterinarian, you will be a key member of the Animal Health Management Team. With the Director, Veterinary Services and Animal Welfare, the Associate Veterinarians are responsible for excellence in animal health and welfare, including the planning and implementation of high quality proactive and emergency animal health care to the zoo animal population, including medicine, surgery and pathology.</p>	

Your Responsibilities will include:

- Planning and Implementing Health Promotion Activities for a diverse collection of over 1500 animals representing 400 different species.
- Medical and Surgical Case Management.
- Pathological Examinations including clinical pathology and gross pathology.
- Record Keeping and Record Analysis.
- Verbal and written regular communication with staff, management and other stakeholders as required.
- Mentoring of Veterinary Students and Veterinary Interns.
- Researching and reviewing current literature to maintain currency.
- Staff training.

Maintain and Exceed personal and veterinary standards established by the Association of Zoos and Aquariums (AZA), Canada's Accredited Zoos and Aquariums (CAZA) and the Manitoba Veterinary Medical Association.

How to Apply:

All qualified candidates are encouraged to apply through our website at: <http://www.assiniboinepark.ca/zoo/home/join-our-team/careers> including your resume and cover letter by April 16, 2019.

Your Qualifications include:

- A Doctor of Veterinary Medicine degree (or equivalent).
- Eligibility for licensing as a veterinarian in the Province of Manitoba
- A minimum of three (3) years post-graduate clinical experience.
- Graduate Training in Zoological Medicine including Board Certification or Eligibility with the American College of Zoological Medicine is preferred.
- A passion for zoo and wildlife medicine.
- Effective communication skills for maintaining respectful working relationships with fellow employees and relating well with visitors.
- The ability to make effective animal healthcare decisions while working under stressful situations.
- Proficiency with computer programs appropriate for related record keeping (Microsoft Office and ISIS animal record-keeping software such as ZIMS, etc.)

The successful candidate may be subject to a Criminal Record Check and Credit Check.
